# MM4502 Shotcrete Spray Arm

The MineMaster® MM4502 Shotcrete Spray Arm is the final delivery boom of choice for utility shotcrete operations in mines. The MM4502 mounts onto any MineMaster 520 or MM430 and will mount on most other MineMaster vehicles. The MM4502 can also be mounted on other equipment.

The MM4502 adds significant utility to your MineMaster articulating forklift while still retaining the 6000lbs forklift capacity.

## STRONG POINTS

- + Large reach
- + manual control valve and standard wired remote
- + Mounts on all MineMaster 520 and MM430 machines

## Features

- + Up to 35ft reach
- + Utility shotcreter for hard-to-reach areas
- + Optional radio remote control
